“Hebrews 10:25 says “Let us not give up meeting together, as some are in the habit of doing, but let us encourage one another - and all the more as you see the Day approaching. In that spirit I invite you to attend this year’s Congressional Prayer Breakfast.”

**Congressman
John Shimkus**

“My colleagues Congressman John Shimkus and Congressman Mike Bost are honored to invite you to the 22nd Annual Congressional Prayer Breakfast. I look forward to hearing entrepreneur and addiction recovery advocate Mike Lindell’s message and using the event to grow closer to God and His word. “I am honored to be a part of this year’s Congressional Prayer Breakfast along with my friends and colleagues, Rep. John Shimkus and Rep. Rodney Davis. As a father, a grandfather, and a member of Congress, I always love hearing the faith journeys of Southern Illinoisans whose walk with God provided them the guidance and strength they needed. I am very excited to hear how shared principles guided the journey of Mike Lindell. I hope you will join me on May 4.”

Our Speaker

Mike Lindell

Creator and CEO of MyPillow

Mike Lindell is best known as the inventor and CEO of MyPillow, although his notoriety as someone radically freed from the power of addiction is beginning to exceed even his MyPillow fame. His deep enthusiasm and heart for helping people recover from addictions is what has inspired him to launch the Lindell Recovery Network. The LRN is an amazing platform which will help millions of people find recovery and Jesus through help, hope, and mentorship.

Through the power of prayer, Mike was radically freed from a serious crack cocaine addiction over ten years ago, and his journey from struggling entrepreneur to CEO of a multi-million-dollar company is nothing short of miraculous. Mike often describes the one-in-a-million events that have marked his pathway as just that - miracles.

Mike has a special knack for treating each of his employees as though they’re the most important person on earth, and that interpersonal gift spills over into all areas of his life. That includes his most important call: to help people get set free from addiction and find Jesus. Mike knew MyPillow was just a platform for God, and he has followed his calling to help bring people to Jesus and help give addicts hope so they can overcome their addictions.

Mike’s goal with the Lindell Recovery Network is to help millions of addicts get their hearts restored and set free from addiction, as well as to provide tens of thousands of jobs for them - and above all, to help them find freedom in Jesus.

Mike’s honesty, humility, and willingness to share his struggle with candor and humor will inspire, challenge, and motivate you. His success is undeniable, but Mike never fails to give credit where credit is due - and attributes all of his best ideas and successes to the Lord.
