Special Guest: STEVE SCHEIBNER

Steve is a retired U.S. Navy commander and current first officer for American Airlines. His life was saved on 9/11 when a rare, last-minute pilot substitution bumped him from his seat on Flight 11 bound for LA from Boston... the first plane to hit the World Trade Center. Since then, Steve followed the call to help families and is now president of Characterhealth Corporation, a ministry equipping parents to train the next generation of character-healthy leaders.
